

MSIT First Year Syllabus

Mini Semester VI:

Practicum

Course ID : IT1681

Duration : 8Weeks

Credits : 8

DESCRIPTION:

During the practicum the students work on the projects applying all the concepts learnt throughout the year. Mentors offer a wide range of projects and the choice to opt for any project is left to the students.

SYLLABUS :

This is based on the entire syllabus covered in the previous mini semesters.

Project :

Projects delivered are approved by the Project Review Committee and could be from any domain.
